Do sponsorships truly make a DIFFERENCE?

Your sponsorship could help an individual athlete receive athletic scholarships within each season. Providing an opportunity to students of being a part of a team with many other opportunities to them.

(Student athletes that obtain Sponsorships between Silver and Coyote packages will have their fee from the selected sport paid in full.)

Sponsorships will assist in the growth of all athletic programs at Desert Heights Preparatory Academy so students can experience positive personal, social, and emotional growth.

“Sports gives your life structure, discipline, and a pure fulfillment that few other areas of endeavor provide.”
